**Unfinished Business:**

Library Director Kenney remarked that he had several meetings with the architects and had developed a preliminary master plan for the first floor. Mr. Kenney stated that the architects would present this master plan at the June Board Meeting, which will be open to the Foundation Board members as well. Library Director Kenney commented that several highlights of the new plan included: a larger teen space that would be staffed at all times as well as the capability for some of the space to serve a dual purpose, such as a training room for adults in the mornings.

Mr. Kenney stated that the visioning retreat was very successful with nearly 50 attendees and was still seeking input from the community via our website. Trustee Furth would like to have Deputy Commissioner of Planning, Linda Puoplo's presentation available to us as she found it very informative. Library Director Kenney will receive a draft of the strategic plan from the consultants and present the findings at our July Board Meeting.

Library Director Kenney presented the proposed budget to the Common Council on April 30 and was asked to provide historical data. Mr. Kenney stated the following: there were no questions regarding the library at the public hearing on May 7, the decision on the budget would take place on May 14, and the budget would be adopted on May 21.

Mr. Kenney reported that conversations were ongoing with the White Plains Cable Television Access Commission for ways to work as partners.

The report of personnel added and deleted from the payroll between January 1, 2012 and March 1, 2012 was approved on a motion by Trustee James, seconded by Trustee D'Ambrosio.
