The renovation continues to absorb the majority of my time. This includes working with architects, DPW, construction firm, and furniture vendors. In the past month, we re-hung two paintings in the East Wing, redesigned the furniture for phase two, and worked on the design for the café.

Continued work with WLS, including participation in the E-Content Committee, Finance Committee, and Public Library Director's Association.

With Josh, Tanya, and Nancy continued to develop a new plan of service for early learning in the Trove. We anticipate approaching funders this summer.

Conducted a meeting of Book 'Em, the mystery book group and led several English conversation groups.

With Bill Deierlein, managed a complex film shoot for production company 40 North. Funds from the shoot will cover most of our new signage package.

Assisted Nancy in the cultivation of donors to the Hub.

Worked on a release for users of Virtual Reality equipment.

Attended BookExpo American at the Javits Center.

Participated in a Share Services meeting regarding county-wide services.
