

Mobile Printing at White Plains Public Library

You can now print to the library's printers from your laptop, tablet or smartphone, from anywhere you have access to the internet. You can submit a print job 24/7. You can pick up the print during our open hours, up until 15 minutes before closing. The system keeps print jobs for 24 hours after being submitted.

Printing option 1 - any device with a web browser

Browse to <http://www.printeron.net/wls/whi> and follow the instructions.

What types of files can I print?

Documents – most popular:
PDF, Word, Excel, Powerpoint,
WordPerfect, RTF, and TXT

Images – most popular:
JPEG, GIF, PNG, BMP, TIF etc.

*A list of additional supported file formats is available at: http://www.printeron.net/system/printspot/interface/file_formats.pdf.

Printing option 2 - any device sending an email attachment

Send the file you wish to print as an attachment to a message addressed to one of the printers below.
