Date: March 4, 2020

OUTREACH AND COLLABORATION

- Visited the Yonkers Riverfront Library on February 7 to learn about the program they have to loan blood pressure cuffs. The American Heart Association of Westchester has asked us to consider adopting this program.
- Met with a representative of iAHD (The Institutes of Applied Human Dynamics) to host an exhibit of a mural of the Hudson River created by their clients. The iADH supports navigating services for persons with intellectual and developmental disabilities
- Worked with the Homebound Instruction program to insure a smooth transition from using the Edge to using Conference Rooms instead. We believe this will be a better situation for both the students and the Library.

PROGRAMMING

- Scheduled a “Facts Not Fiction” book group for March, April and May.
- Finalized arrangements and scheduled ESL, Citizenship and TASC en Espanol classes with BOCES through spring of 2020.
- Arranged for volunteer monitors for the Black History Month film festival.
- Working with New York Presbyterian of Westchester to schedule a presentation on Geriatric Depression for the spring; date pending.
- Assisted Aging in Place with scheduling their meetings, discussion group and speaker event for March.

STAFF AND INTERNAL

- Thirteen people attended the February 15 volunteer orientation session.
- Attended a summer meals webinar hosted by the New York State Department of Education on February 5.
