

# WHITE PLAINS PUBLIC LIBRARY

We are working at getting the Library in order— reconfiguring our work spaces to create a better experience for staff—but we are excited that we have two milestones coming up.

On **Monday, June 8** our book drop will open (24/7) and we're ready for you to return materials. There will be no fines on material returned now until 30 days after the building opens to the public.

Please note that all material will be quarantined for 72 hours before being checked in and reshelved, following the latest guidelines from the CDC and best practices around sanitizing surfaces. So be patient if it takes a few days for your account to be updated.

On **Monday, June 15** we are initiating contactless, curbside pick-up. This will allow you to request a specific book, DVD, CD, or a selection of materials by phone, and then drive through our cut-away to pick up the items. Available only to White Plains cardholders, this service will be available Monday through Friday, 10 am to 4 pm. Details to come.

Take care,

**Brian Kenney**

Library Director
