Welcome Back!

When the Library [reopens to the public](#) on **Tuesday, July 28** we are implementing measures to provide the safest possible experience for our patrons and staff while providing access to our materials. We will be using various means to do this: decreasing the density of people in the building, enforcing the wearing of masks and social distancing, and having limited hours and services while also maintaining a completely virtual programming schedule. In addition, during this time all public seating and computers have been removed, and there are no toys, games or video games in the Trove or Edge. Visits to the Library are intended to provide you a means to access our collections and select your own materials.

Initially, our hours will be Monday-Thursday, 10:00 a.m.-7:00 p.m., Fridays and Saturdays 1:00-5:00 p.m. Masks will be required for all patrons ages 2 and up at all times within the building.

On the Main Floor / Adult Services

Access to the Library's first floor collections—including all adult and teen materials—is on a first come, first served basis. Once we reach capacity, please wait outside the building, six feet apart, for patrons to leave.

In the Trove

To access the Trove's collections, you will book an appointment by calling 914-422-1476. Appointment slots will start at 10:00 a.m. each day Monday-Thursday and 1:00 p.m. on Fridays and Saturdays and require a White Plains Library Card. You may book one appointment per week, up to a week in advance. Security will check to make sure you have an appointment before you are allowed to enter the Trove. Certain time slots will be unavailable throughout the day to allow for cleaning of the Trove.

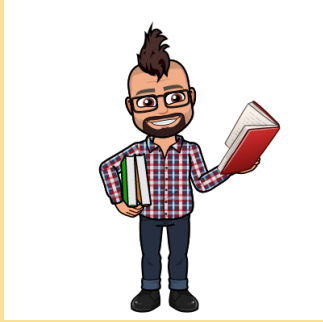

Take care,
