

This is the time of year when the Foundation asks for community contributions to support the Library in the year ahead. Your donation will help create opportunities for people of all ages to develop new skills, engage in learning, share ideas, and connect with others.

In 2021 the incredibly resourceful Library staff has presented so many virtual programs on useful, inspiring, and entertaining topics. Let's help them keep up the good work in 2022 when we're hoping to offer more in-person options as well.

If you're already a donor, thank you for your commitment to the Foundation. If you're just joining us now, thank you for recognizing the value of the Library's dynamic programs and services. Community support makes an enormous difference in the life of the Library. Donate today [here](#).
