

The White Plains Library Foundation is having its first in-person event in nearly three years this **Sunday, May 1st, from 3:00 to 5:30 p.m.** Don't miss this opportunity to see old friends, make new ones and support one of White Plains greatest treasures – the Library!

[RSVP HERE](#)

The event will begin with a storytelling program curated by White Plains' own **STORYBOOM**. Then, we'll enjoy some much-needed mingling with a backdrop of local business pop-ups including:

Wolf and Warrior Brewing Company
5th Dimension VR (Virtual Reality)
European Luxury Spa
Bead Everything
MDM Bodybuilding
Wine Tasting with Jose Rodriguez
and more...

Community support makes an enormous difference in the life of the Library. Funds raised through this event help support innovative programs for children, teens and adults.
